CRANBROOK
RECREATION & CULTURE

Summer program for children ages 5-12

Are you looking for activities for your children this summer?

We offer the experience of a summer camp without sending your kids away.

Why choose our program?

Affordability, accessibility, and most importantly, the influence of 5 fun, engaging leaders for your children. This program is Jump Start approved!

You can expect:

Interactive play, several games, sports, arts, crafts, field trips, and lots of swimming.

Each week is themed and has several exciting activities. Our leaders are college & university students from Cranbrook who have First Aid qualifications. These young adults have a passion for working with children and are very excited for this summer!

Playground Supervisor

Deena

Deena is super excited to be back for her third year with the Playground Program! She is from Surrey, BC, but has been in Cranbrook for many years. In the fall, she will be entering her third year of the University of Victoria bachelor of Education program. Deena likes camping, hiking, paddle boarding, and hockey. One of her favourite things to do with friends is play board games!

Playground Leaders

Aimee

Aimee can't wait for her first summer with the Playground Program! She is from Cranbrook, BC and has just graduated high school from Mount Baker Secondary School this June. In the fall, Aimee will be studying Criminal Justice at the College of the Rockies. In her spare time she enjoys hiking, camping and playing lacrosse!

Emily

Emily was born and raised in Cranbrook, BC. Emily is studying at the University of Victoria taking the Bachelor of Education program in hopes to teach at one of the local schools here in Cranbrook! In her spare time, you can find Emily hiking, biking, or exploring the beautiful mountains in our community. Emily is ready to dive into her first summer with the Playground Program!

Evelyn

Evelyn will be joining us for her first year with the Playground Program and she could not be more excited! Evelyn was born and raised right here in Cranbrook, BC. She is a University of Victoria Student going into her third year of the Bachelor of Education program this September. Evelyn loves living in the Kootenays, and in her free time she can be found exploring the community forest, out on her paddleboard, or at Kootenay Lake with her family!

Kali

This is Kali's first year with the Playground Program! She is originally from St. Albert, Alberta. Kali is also entering her third year of the Bachelor of Education program at the University of Victoria. Kali enjoys spending time with family and friends, as well as having dance parties, playing board games, and spending time at the lake. Kali is excited for her summer with the Playground Program!

Kenzie

Kenzie is from Cranbrook, BC. She has also just graduated high school from Mount Baker Secondary School. In the fall she will be going to Medicine Hat College to study Kinesiology and play women's soccer. Kenzie enjoys anything to do with the outdoors, especially playing soccer. This will be Kenzie's first year with the Playground Program and she is stoked for it!
